

SHOUT ABOUT YOUR VOLUNTEERING

*H*ello. I'm Peggy and I give to my community by volunteering at Age UK Merton.

I do this by helping on the reception desk and also with the theatre trips.

I do it because as a volunteer, I can help the Merton residents who visit us with their problems and questions.

It is important to greet clients with a smile and make them feel they are being listened to, which I try to do.

What I enjoy the most is then seeing them leave our office feeling their worries or concerns have lightened.

I am also learning all the time which makes my role very interesting.

It benefits Merton because I can help the ageing population of Merton in a small way.
